I'D LIKE A JOB THAT ALLOWS ME TO:

 Caring for people or looking after animals

Give vital medical care to people and animals.

MEDICAL

 Action and adventure

Play a major role in combat operations and get involved in peacekeeping or humanitarian missions.

COMBAT

 Fitness and physical challenges

 Working with your hands

Get qualified to repair and set up vital equipment, making sure the Army can run anywhere in the world.

 Knowing how things work

ENGINEERING

 Playing music and entertaining others

Perform around the world with one of the Army's many bands, for soldiers and at VIP events.

MUSIC

 Using cutting-edge technology

Provide crucial communications, IT and Information to win the battle.

 Problem solving

COMMUNICATIONS, INTELLIGENCE & IT

 Organising and arranging

Make sure that soldiers have whatever they need, whenever and wherever they need it.

 Problem solving

LOGISTICS & SUPPORT

 Supporting people with my specialist skills

Give specialist support, ranging from HR, finance, legal to being a teacher in the Army – at home or around the world.

 Problem solving

HR, FINANCE & SUPPORT

 Doing something different

Serve in my spare time – in the evening and some weekends. In return, I'm paid and enjoy adventure and training exclusive to the Army.

 Action and adventure

 Making a difference

ARMY RESERVIST

There are different ways to join the Army, whatever type of job you go for – and funding options available to help you while you study. Whether you're looking to join at 16 and go to the Army Foundation College in Harrogate or you've set your sights on attending the Royal Military Academy Sandhurst to become an officer. Talk to one of the team to find out what your options are, or explore our entry options to see what's available.
