

Careers Newsletter

April/May 2024

On 16th April Hereford Sixth Form came into the School to interview those Year 11 students that had applied there. This gave the students an opportunity of asking any questions they had about their subject choices and also to make changes to the subject choices they had chosen.

The Year 10 trip to Hartpury College had to be cancelled unfortunately but we are in discussions with them to try and rearrange this.

I have now started to meet with the Year 10 students about what their thoughts are when they leave school. I explained that they would be seeing me 1-1 at the start of Year 11 to help them complete their application forms for their chosen training provider. All students have been given College prospectus' so they can have a look at the courses on offer to help them prepare for when they see me in the new academic year.

The annual Three College Taster Event is taking place on Tuesday July 2nd. This is an opportunity for Year 10 students to choose 2 courses from the three main colleges ; Hereford Sixth Form, Herefordshire College and Hereford College of Arts, to have 'a go at'. Forms are being completed by students this week with their course choices which will be sent to the colleges. Confirmation of what courses students have been allocated will be in the next few weeks.

If you have any career related questions about your child's next steps when they leave school please don't hesitate to contact me
