

GCSE STEP UP

Science Personalised Learning Checklist 3

Name: _____

Set: _____

Exam Board	Edexcel
Paper	1, 3 & 5

Band	
Group	

My current Grade is:	Autumn:	Spring:	Summer:
----------------------	---------	---------	---------

Unit	Topic Focus	R	A	G
CB1	Key Concepts in Biology (Paper 1 and Paper 2)			
CC1	States of matter			
CC2	Methods of Separating and Purifying Substances			
CP1	Motion			

GCSE Step-Up		😊	😐	😞
CB1				
CB1a	Microscopes			
CB1b	Plant and animal cells			
CB1b	Core practical - using microscopes			
CB1c	Specialised cells			
CB1d	Inside bacteria			
CB1e	Enzymes and nutrition			
CB1f	Enzymes action			
CB1g	Enzyme activity			
CB1h	Transporting substances			
CC1&2				
CC1	States of Matter			
CC2	Methods of Separating and Purifying Substances			
CC1	States of Matter			
CC2a	Mixtures			
CC2b	Filtration and crystallisation			
CC2c	Paper chromatography			
CC2d	Distillation			
CC2d	Core practical - Investigating inks			
CC2e	Drinking water			
CP1				
CP1a	Vectors and Scalars			
CP1b	Distance/Time Graphs			
CP1c	Acceleration			
CP1d	Velocity/Time Graphs			
What will I 'action' to improve?				
<p>Additional support and guidance: The key to success is to keep trying, don't give up if you get stuck. 1 – Watch the video clips on Cognito 2 – Edexcel Combined Science GCSE exam questions on My Physics and Maths Tutor 3 – Attend the Science clinic to seek support</p>				

Key Scientific Vocabulary	Example/Definition
