Assessment Tracker			
	%	Level S/G/E	Area for Improvement
Assessment 1 9BI			
Assessment 2 9FJ			

Topic	Where am I?		
9BI			
Reactions in plants			
Measuring Photosynthesis			
Plant Products			
Growing crops			
Farming Problems			
Forces			
Energy Changes			
Energy Changes			
Speed			
Turning Forces			
Simple Machines			
<i>Scientific Investigation Skills (RQ/Prediction/Method/Results/Graphs/Conclusion/Evaluation)</i>			
9FJ			
Chemical and Physical Reactions			
Reactivity			
Oxidation			
Exothermic and Endothermic Reactions			
Displacement			
Balancing Equations			
Extracting Metals			
Electrolysis			
Magnets			
Static Electricity			
Electrical Current			
Resistance			
Electromagnets			
<i>Scientific Investigation Skills (RQ/Prediction/Method/Results/Graphs/Conclusion/Evaluation)</i>			

What will I 'action' to improve?**Additional Support / Guidance**

The key to success is to keep trying, don't give up if you get stuck.

- 1 – Watch the video clips on cognito
- 2 – Complete the assessment review tasks
- 3 – Attend the Science clinic to seek support

Key Scientific Vocabulary	Example/Definition
9BI	
9FZ
