

# GCSE Psychology

## Personalised Learning Checklist

Name: \_\_\_\_\_

Exam Board	Edexcel
Topic/Module	Research Methods

My target grade is	
Group	

My current Grade is:	Autumn:	Spring:	Summer:
----------------------	---------	---------	---------

Use this checklist before your assessment to focus your work and after to check the effectiveness of your work.

<b>G</b>	I am confident about this topic and I know what I need to do.
<b>A</b>	I am not too sure about this topic. I may need to check with my teacher and spend more time working on this topic.
<b>R</b>	I am not confident I could answer a question on this topic. I need to check with my teacher and ensure I have what I need to do it.

Topic/Unit Focus

Hypotheses			
Sampling			
Research design			
Reliability and validity			
Ethics			
Research methods (experiments, interviews, questionnaires, correlation and observation)			
Data analysis, representation and interpretation, data types			
Ethical issues			

<b>Identifying my gaps</b>
<b>Additional Support / Guidance</b>

Remember these simple steps to help prepare you for exam success:

- keep your keyword flashcards up-to-date and use them 2/3 times each week
- start with learning five facts for any one study, model or theory (you can always increase this later)
- look out for podcasts, television and radio programmes on the topics we cover – this really helps with the long answers
