

THE KITCHENEERS

The Kitcheneers, Aylestone High School

Dear Parent / Carer,

Alliance in Partnership are very proud to be the chosen caterer for Aylestone School. We provide nutritious healthy meals for the students to enjoy and provide them with all the nutrients and energy to get them through their busy day. We offer a wide selection of choice to suit everybody's taste to ensure we cater for the whole school.

We operate menus on a 3 weekly cycle which includes a main and vegetarian course.

We understand it is important for your child to have a healthy lifestyle. Also we acknowledge that the dining experience is a social skill that your child has already developed, we want to build on that, making eating fun and exciting.

If your child has a special dietary requirement i.e. allergy or diabetes etc, allergen request forms and carbohydrate count forms will be available from the school office.

**For even more information, please visit our website
