### Riverside Training

Riverside Training are an established Government-approved training provider with a wealth of apprenticeship knowledge gained over 25 years experience in the industry. We work nationally with a very broad and diverse range of organisations from primary schools through to the NHS, providing them with a range of apprenticeship programmes and recruitment services. In fact we have worked with over 500 businesses and our clients have included BMW, Close Brothers, Balfour Beatty, Eurostar, Anchor Hanover and Portman Dental.

We offer a whole range of qualifications from Accounting Assistant through to Operational Management and up to Senior Professional People. These qualifications cover every level from Intermediate (Level 2), broadly equivalent to five good GCSE passes, Advanced (Level 3) broadly equivalent to two A Levels, and Higher Apprenticeships (Level 4-7) equivalent to a foundation or bachelor's degree and even a master's degree in some sectors. We work closely with professional bodies such as The Association of Leadership and Management to ensure our courses, where appropriate, are fully-accredited.
