# RENU Training Academy

## What We do

We are a Private Training Academy who offer training courses to any individual over the age of 13. Our vocational training courses help individuals build knowledge, skill and confidence ready for the working world. Our packages are bespoke, designed to meet the needs of each individual student to help them get the most out of their training opportunity with us.

We are known for our training we provide for young people who are experiencing difficulties in their education journey.

Unlike school we are able to tailor each individual learning plan to suit and provide a much more relaxed training environment whilst still working with the young people to achieve recognized qualifications to help guide and set them up for a working future.
