SEPTEMBER 2021

Hello,

Not only a new start for the Year 7 students but to me joining the staff team at Aylestone School 😊

We kicked off the new academic year with an assembly for Year 11 students presented by Hereford & Ludlow College. A presentation was shown and students were given an insight into all the different courses the college has to offer and had an opportunity of asking any questions they had.

Year 11 students were given their career advice and guidance appointment dates and times with me, which are starting in October.

I am really looking forward to meeting all our Year 11 students to help them with their decision making and completing of Further Education application forms.

This month I have been busy booking assemblies for all the local college and training providers to attend Aylestone to talk to the Year 11 students over the next couple of months. This will give them the opportunity of finding out all the different options that are out there for them.

Bye for now !
