

Linking Curriculum Learning to Careers

All teachers should link curriculum learning with careers. STEM subject teachers should highlight the relevance of STEM subjects for a wide range of future career paths.

By the age of 14, every pupil should have had the opportunity to learn how the different STEM subjects help people to gain entry to, and be more effective workers within a wide range of careers.

The following websites will help teachers understand the importance of the Gatsby Benchmarks and will have some useful information on how to link curriculum with careers :-
