On Wednesday 2nd March the Year 11 students had an assembly delivered by Hereford College of Arts. This allowed students to find out about all the different courses they had to offer, the application process and what to expect if you chose to study there.

We had two events take place on Wednesday 9th March, one being our British Army assembly presented by Sargent Mark Varndell to our Year 11 students and then in the evening our Aylestone School's Careers Fair was open to Years 8, 9, 10 and 11. This evening was a great success with a record number of students attending.

On 23rd March Year 10 students had an assembly on Unifest Summer Schools and how to apply if they were interested. Unifest takes place over 6 universities across the West Midlands and gives the chance for students to spend time exploring University life, meeting students and staff, making friends and having an action packed, fun experience.
