

NMITE Presents:

Future Skills Fair

27th April 2022 - 4pm - 7.15pm

Are you looking for the next steps in your, education, career or training?
Come along and explore the brilliant opportunities available across the county and beyond.

Held at our Blackfriars Campus - Pop in to learn more:

NMITE (New Model Institute for Technology and Engineering)
Blackfriars Street, Hereford, HR4 9HS

This opportunity is open to:

- » Young people in Year 10, 11, 12, 13 or above looking to kick-start their future career, or simply looking to discover what options are available.
- » Parents and carers looking to help guide their children in a new direction or even find a new path for themselves.
- » Everyone and anyone looking for new opportunities and the chance to broaden their skills.

Our academic team will be running half hour interactive engineering challenges for limited numbers of pre-booked students at:

The power cable is down

Building bridges

Careful with that!
