

Hereford & Ludlow College : <https://www.hlcollege.ac.uk/home>

You will be given the opportunity to excel and succeed in your learning by our well-qualified and highly professional teachers.

The vast majority of our students progress to higher level courses, including university studies, and then into employment.

The College has received excellent feedback from Ofsted and is rated silver under the Teaching Excellence and Student Outcomes Framework, evidence that “provision is of high quality, and significantly and consistently exceeds the baseline quality threshold expected of UK Higher Education.” Our students consistently report high levels of satisfaction with their learning and the College.

Hereford Sixth Form College : <https://www.hereford.ac.uk/>

Established in 1973, Hereford Sixth Form College is one of the most successful sixth forms in the country and has been graded as Outstanding in all aspects of its work by [Ofsted](#).

We have high expectations and expect you to work hard but you will find the college an enjoyable place to study, meet new friends and gain the skills and qualifications you need for the future.

Specialist teachers

Staff at College are not just experts in their subject, (often examiners), but also excellent communicators having a sympathy and rapport with students which leads to excellent exam results.

Hereford College of Arts : <https://www.hca.ac.uk/>

Here, you can find your place in an inspiring art school community; while our expert staff, studios and workshops support your individual journey.

HCA's intimate scale lends itself to natural collaborations and distinctive creative groups. It is the ideal setting for you to discover alternative ways of looking at things – surprising yourself and each other. Students also experience an excellent amount of contact time with tutors in a forum which is small enough for your voice to be heard.

All students benefit from inductions to relevant workshops and studios. If your practice leads you down a new and inventive route; you are free to experiment using HCA's great range of facilities. So, if you're an animator who discovers you'd like to experiment with embroidery – you can! Many of the staff at HCA are also active practitioners in their own right, meaning they can offer you guidance as mentors, specialists and peers.

Whether you want to pursue art, media, design, popular music or performing arts, we have your future in mind.
