Budget better and boost your numeracy skills

CHECK YOUR
NUMERACY
LEVEL:
[HTTPS://RB.GY/VBN2SG](https://rb.gy/vbn2sg)

If you're aged 19 or over and don't have maths GCSE at grade C (or equivalent), you can take free numeracy courses through Multiply, a new government-funded programme.

- ✘ Build confidence with numbers
- ✘ Keep pace with the job market
- ✘ Budget better
- ✘ Support your children with maths
- ✘ Get a qualification or prepare for further study

FREE COURSES FOR EMPLOYERS

Employers: why not work with us to design and deliver bespoke a programme for your workforce, at no cost to you? Our maths team will support you to tailor a course and delivery method suitable for your staff.

- ✘ Lessons can be face-to-face or online
- ✘ You can visit us here, or our maths tutors will come to you!

Email projects@hlnc.ac.uk to register your interest.
