**Executive Headteacher:** Mr S Robertson

September 2022

Dear Parent/Carer

## Aylestone School Careers

Over the last academic year the Careers section of the Aylestone School website has been packed full of information for both students and parents.

Some of the 'icons' that have been included are :-

- Student Information
- Parent Information
- Teachers Information
- Information for Employers
- Labour Market Information
- Careers Newsletters
- Upcoming Events
- Training Provider Information
- University Information
- Apprenticeship Information

Under all these headings you will find useful information that will help your child consider their next steps once they have finished School.

The Careers Advisor, Mrs Davies, is given monthly reports on any apprenticeship vacancies that are in Herefordshire and these can be found under Apprenticeship Information. There are also some useful links that can give you all the most up-to-date Labour Market Information, which is always important to consider when your child is choosing their career pathway.

The monthly Careers Newsletter will let you know about what careers events/activities have taken place that month as well as giving any updates on future events.

We do hope you find this useful and encourage you to take a look.

If you need to come and speak to somebody at the School about their FE options or career pathway please do not hesitate to contact myself ([nmoores@aylestone.hereford.sch.uk](mailto:nmoores@aylestone.hereford.sch.uk)) or Mrs Rachel Davies ([rdavies@aylestone.hereford.sch.uk](mailto:rdavies@aylestone.hereford.sch.uk)), our Careers Advisor who will be happy to chat with you.

Yours faithfully

N Moores  
Assistant Head & Careers Lead
