

Careers Newsletter

September 2023

I hope you all had a great Summer break 😊

I am looking forward to meeting the Year 11 students for their career advice and guidance meeting with me. All students will have an appointment to see me from mid-October through to December. I intend to see all Year 11 students and help them with college applications before we break up for the Christmas break.

On 20th September Hereford Sixth Form College came in to deliver an assembly to the Year 11 students. This allowed the students to find out what subjects they offered and the different progression routes to be followed for your personal career pathway.

On 28th September Hereford & Worcester Group Training came in to talk to the Year 11 students about the different apprenticeships they offered and how to apply for them. HWGTA will be returning to Aylestone to speak to Years 8 & 9 students later in the year.
