IDEAS

THE DUKE OFEDINBURGH'S AWARD

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you some ideas of things you could do or could use as a starting point to create a programme of your own. You can find more information at DofE.org/ do and there is a range of exciting opportunities to help you complete this section at DofE.org/finder. You can

use the programme planners on the website to plan your activity with the support of your DofE Leader.

NOTE: Before you commit to a residential it is important to have approval from your DofE Manager to ensure that it meets all the criteria (see DofE.org/do for the requirements).
