

NATIONAL CAREERS WEEK

WEEK COMMENCING 4TH MARCH 2024

National Careers Week (NCW) is a one-week celebration of careers guidance and free resources in education across the UK. NCW's aim is to provide a focus for careers guidance activity at an important stage in the academic calendar to help support young people develop awareness and excitement about their future pathways.

To celebrate National Careers Week we are inviting you to visit the National Careers Week website that offers Free Careers Resources, Booklets and Guides, Videos, a virtual Careers Fair and Activities that can help students find more information about the different careers available.

Students will have the opportunity of looking at this website in School with teachers and we welcome anyone that is interested in finding more about the different career opportunities to make an appointment with Mrs Davies the Careers Advisor rdavies@aylestone.hereford.sch.uk
